Need to check pax numbers for JPT. Subcontracting? Several buses arrived at approx 9:20pm with the intention of going into the Park from Tour Gold Coast. sch4p4(7)(1)(c) pax had already entered the Park + only sch4p4(7)(1)(c) more could enter at then + these may not exit the park by 10pm. These groups were asked when their time slot was + said that they were for the 10pm-12pm time slot. 3 bus arrived @ 9:41pm. At 9:44pm, J. Abbot advised to let groups through from 9:44pm due to safety reasons + people milling around on the roads. Guides were advised that this was a 3rd breach coming into the Park early. Spoke with illegal operator in vehicle sch4p4(7)(1)(c) 12:02pm.
