Hi Ben

Certificate 202010-10776 EC for the Building work, Reconfigure lighting and LED upgrade at Yeronga Memorial Park (QHR 602462) for your review and approval to issue.

The structural change is the installation of a new light pole (match existing) with lights. An existing light pole is removed. There is trenching for power supply.

This application is recommended for approval as there is minimal impact on the Heritage Place. I have not added conditions.

Final Decision date is 03-Nov-2020.
