Hi Mat,

Please find a link to download a copy of our draft Coastal Hazards Adaptation Plan, for your review.

<https://yoursay.noosa.qld.gov.au/25835/widgets/172520/documents/190990>

We formally commenced the public comment period on Monday 25 January. Submissions will be accepted up until 17:00 Monday 22 February. We have setup a dedicated mailbox for all submissions and questions (climatechange@noosa.qld.gov.au)

I've also attached the draft implementation plan. Though this cannot be finalised until the CHAP has been signed off by Council, as all of the action in it obviously stem from the 5 year actions in the CHAP itself. This is a purely internal document, for the purposes of program management. So it has not been released for public viewing, and is strictly confidential.

Please let me know if there's anything else you need.

Kind regards,

Grant Hinner
