FORMER BHP SITE AT 222 MACARTHUR AVENUE, HAMILTON (LOT 848 ON SL4269)

Recent inspections of the above site by the Department of Environment and Heritage has revealed that another prescribed purpose activity "electroplating" is being conducted at the site. Due to this present activity it is no longer appropriate that a Site Contamination Report be issued for this site. The property will remain on the Contaminated Sites Register with a "probable" classification.

Should you have any queries on the above please contact Mark Paton on (07) 227 7000.

Yours sincerely
