Dear Mr. Low,

I refer to your personal representations on behalf of
Mr. CTPI 49-Sch4 of Mapleton, in connection with his application
to purchase the land and improvements contained in the former Dulong
State School being subdivision 1 of resubdivision 2 of subdivision 3 of
portion 97V, parish of Maroochy.

I have looked into this matter and find that the improvements
were sold to the Mapleton Progress and Fruitgrowers Association for removal
and the land is to be set aside as a Quarry Reserve under the control
of the Maroochy Shire Council.

It will be seen, therefore, that favourable consideration
cannot be given to CTPI 49-Sch4 application.

Yours faithfully,

SURRENDER OF SITE

re setting apart under control of Maroochy
Your reference - 69/30127 Brisbane

CTP

With reference to previous correspondence in relation to the Dulong closed school site, I enclose herewith for your information copy of a letter of even date addressed to the Hon. Secretary, Mapleton Progress and Fruitgrowers' Association.

As the Maroochy Shire Council desires to use the stumps of the old school building in relation to the Council's proposal for the use of the subject land, it is considered that special circumstances existed, and therefore the site in question is now regarded as having been left in a satisfactory condition by the abovementioned Association.

It will be appreciated, therefore, if your Commission now proceeds with action proposed for the setting apart of the subject land under the control of the Maroochy Shire Council, as Trustee.

Yours faithfully,

Dear Madam,

RE: DULONG CLOSED SCHOOL BUILDING

I refer to previous correspondence relating to the clearing of the site of the Dulong State School and advise, because of special circumstances detailed by the Maroochy Shire Council it is now approved that the stumps of the above-mentioned school building be left standing on the site as the Council desires to make use of these stumps, in connection with the proposed use of the land.

Action will now be taken, therefore, to return to you the security deposit which your Association originally paid in conjunction with the purchase price for the school building.
