Sir,

With further reference to your letter of the 1st instant (44/23380 N.S.Bymount), I am directed to inform you that it has been approved to seek Executive Authority to cancel the present Reserve for Recreation, being Portion 59 Parish of Tumamurrin, and to set the area apart as a Reserve for State School, Bymount, under the control of the Secretary for Public Instruction in Queensland as Trustee.

The Trustees of the Recreation Reserve have consented to the cancellation of the Reserve for the purpose of having the area reserved for School purposes.

Memo,

Referring to your B.C.of the 16th June last in connection with request by Director-General of Education that the land now comprised in Recreation Reserve R.342, parish of Rumamurrin be set apart as a Reserve for School purposes, I attach hereto report by Mr Land Ranger Shield.

Mr Shield contacted all available Trustees and they were all agreeable to the cancellation of the reserve for recreation reserve, with a view to its being set aside for school purposes.

From the letter written by Mrs E.L.Walsh on the 1st November 1937, it would appear that it was the desire of the local residents to have the area held as a recreation reserve only until such time as it is again required for school purposes.

I recommend that thereserve for recreation be cancelled and the area set aside as a School Reserve.

Memo.

With reference to Head Office memo dated 16-6-44 asking for a report on the transfer of R342 from the trusees to the Director General of Education to enable the establishment of a school there,I have to report that I inspected this reserve on 23-7-44.

There are two tennis courts on the reserve but these have not been used for some years,I understand on account of war restrictions. The reserve was formerly netted in but the wire and netting have disappeared from the fence and one length of netting has gone from the tennis court surround.

The trustees are anxious to have the reserve transferred back to the Director General of Education and do not wish to make any claim for improvements. It appears that these were on the ground when it was formerly a school.

I would recommend that the transfer be granted.

Dear Sir.

I have been negotiating with the Dept Public Works. re fences inclosing and inclosed on the Wyanant school grounds. when in personal conversation with the inspector Dept Public Works. he said that he would recommend that this particular ground revert back to the original lease. I was very much surprised to learn that the recommendation was to effect that this ground be kept for recreation purposes. I must state without fear of contradiction that this Tennis court has not been used for years it seems people have to work to hard in the country they are glad to have any spare time off to put ~~to~~ by having a good rest, by the department leaving this ground open. they are going to create an Ideal camping reserve. which you are quite well aware. brings with it the usual source of nuisances. such as cattle rushing and tearing your rabbit & dog netting fences down and also the chinese fires. my neighbours and myself have been clearing the fires off the roads & water course at Barrett for the last four years.

Recommending that School Res. R.342 be placed under the control of the Bymount Tennis Club as Trustees.

ROMA, 19th November, 37.

MEMO:

Herewith is an application by Mrs. E.L. Walsh, Secretary of the Bymount Tennis Club, to have R.342, Portion 59, School Reserve, Parish of Eumamurrin, gazetted as a Recreation Reserve.

The School has been closed for some considerable time, and was recently sold and removed. It is obvious that the Education Department does not require this Reserve, or will not for many years.

As there are many settlers in that locality, the site is central for the purpose of a Recreation Reserve, and I understand that the existing tennis courts thereon are well patronised on Sunday afternoons.

It is essential that these people should have a central place to meet, and they are anxious that the School Reserve should not be handed back to the lessee, but retained for recreation purposes.

If the Education Department do no longer require this Reserve, I recommend that it be placed under the control of the Bymount Tennis Club as Trustees.

To
The Land Commissioner,
Roma,

Sir,

Re-application by Mrs E.L.Walsh, Secretary of the Bymount Tenis Club for R 342 (formerly State School Reserve) as a Recreation Reserve.

In accordance with your instructions of the 3.11.1937, in the above matter, I have the honour to report that on the 28th of October last, I inspected the area applied for as a Recreation Reserve, and found that, the Education Department have sold the School and same has been removed, From enquiries I made I was informed that Portion 59 was resumed from Portion 43, and the Education Deaprtment at their own expense fenced off this Portion (59) with the exception of the ring fence, there are no other improvements except two Tenis Courts which were layed down and netted in by the Bymount School Tenis Club, whose members are the School Committe.

I recommend for your favourable consideration, that this Reserve, R 342 Parish of Eumamurrin, Roma District, comprising 5 acres be Gazetted as a Recreation Reserve, with the President and Secretary as Trustees.

To
The Land Commissioner,
Roma,

Sir,

Re-application by C.G.Perrett that the Bymount School Reserve, Roma District.

In accordance with your instructions dated 19±10-1937, in the above matter, I have the honour to report that on the 28.10.37 I inspected the area, and found that the Education Department had sold the State School building and same had been removed.

As the applicants wish is that the area be added to his Portion 43 Freehold adjoining, which is used for woolgrowing and as the carrying capacity would be 2 sheep over the whole area which consists of only 5 acres, I recommend that the application be rejected on the grounds that the Bymount Tenis Club have erected two tenis courts at their own expense, together with High netting aroundcthe courts, and I am of the opinion that, that Club should have priority to the land.

Yours respectfully,

To/
The Commissioner for Public Lands,
ROMA.

Dear Sir,

I am writing on behalf of the members of the Bymount Tennis Club, and referring to the Bymount School ground, which is an area of about five acres, and on which we have erected two tennis courts.

The school building has been sold and removed. Some few years ago we applied to the Educational Department and received permission to erect the tennis courts.

If the land is sold we will undoubtedly lose the netting and all other tennis court requirements.

There is a large number of young people around, who play tennis, which is the only amusement in the district. Apart from that there are about twenty small children growing up, and the place is an ideal one for the erection of another school.

I wonder if there would be any harm for me, as acting secretary of the Bymount Tennis Club, to ask if it were possible to consider the granting of a Special Lease for the five acres as a recreation reserve.

Trusting you will be kind enough to consider my request on behalf of the young people of the Bymount District, and thanking you in anticipation,

Yours faithfully,

(Mrs.) EDITH L. WALSH.

P.S. I hope to be coming to Roma on the 9th instant and will call at your office.

Dear Sir,

In view of the fact that the Bymount school has been sold I am wondering what the Department are going to do in regard to the land. It is reasonable to assume that the land will revert back to the original lease. Will you please let me know your views in regard to this matter.

Yours faithfully,

Memo,

Referring to your B.C.of the 16th June last in connection with request by Director-General of Education that the land now comprised in Recreation Reserve R.342, parish of Eumamurrin be set apart as a Reserve for School purposes, I attach hereto report by Mr Land Ranger Shield.

Mr Shield contacted all available Trustees and they were all agreeable to the cancellation of the reserve for recreation reserve, with a view to its being set aside for school purposes.

From the letter written by Mrs E.L.Walsh on the 1st November 1937, it would appear that it was the desire of the local residents to have the area held as a recreation reserve only until such time as it is again required for school purposes.

I recommend that thereserve for recreation be cancelled and the area set aside as a School Reserve.

With reference to ~~head~~ Office memo dated 16-6-44 asking for a report on the transfer of R342 from the trustees to the Director General of Education to enable the establishment of a school there, I have to report that I inspected this reserve on 23-7-44.

There are two tennis courts on the reserve but these have not been used for some years, I understand on account of war restrictions. The reserve was formerly netted in but the wire and netting have disappeared from the fence and one length of netting has gone from the tennis court surround.

The trustees are anxious to have the reserve transferred back to the Director General of Education and do not wish to make any claim for improvements. It appears that these were on the ground when it was formerly a school.

I would recommend that the transfer be granted.

Dear Sir,

In reference to your letter of 21/10/38, asking that the trustees form by-laws to assist them in the control of Recreation Reserve R342 at Bymount. We have not been able to hold a meeting because some of the members are not able to attend, and will not be able to for about ten weeks.
The reserve is not near any town or dwelling where it would be necessary to form by-laws such as those included in last letter.
The only use it is likely to be put to, is a place to meet and hold public meetings (being central of the district) perhaps in the future we may be able to raise funds to have a small dance hall erected.
We also have tennis courts erected on same at present, where the young people of the district (about fifteen) play on Sundays.
The reserve will not be put to any other use and is fully enclosed by a wirefence on two sides and netting on two. Do you think it necessary to have bylaws such as those stated

Madam,

With reference to the Reserve for Recreation, R.342, Rymount, which was gazetted and placed under the control of Trustees in Government Gazette of 3.9.1938, page 778, I have to inform you that it is advisable that the Trustees frame suitable By-laws to assist them in the proper control and management of the Reserve.

For the Trustees' guidance in this regard, I am enclosing herewith a copy of the By-laws of the Reserve for Recreation, Wandoan. When suitable By-laws have been framed, they should be forwarded to this office for review.

Yours faithfully,

MEMO:

Herewith is an application by Mrs. E.L. Walsh, Secretary of the Bymount Tennis Club, to have R.342, Portion 59, School Reserve Parish of Eumamurrin, gazetted as a Recreation Reserve.

The School has been closed for some considerable time, and was recently sold and removed. It is obvious that the Education Department does not require this Reserve, or will not for many yea

As there are many settlers in that locality, the site is central for the purpose of a Recreation Reserve, and I understand t the existing tennis courts thereon are well patronised on Sunday afternoons.

It is essential that these people should have a central pla to meet, and they are anxious that the School Reserve should not b handed back to the lessee, but retained for recreation purposes.

If the Education Department do no longer require this Reser I recommend that it be placed under the control of the Bymount Ten Club as Trustees.

Re-application by Mrs E.L.Walsh, Secretary of the Bymount Tenis Club for R 342 (formerly State School Reserve) as a Recreation Reserv

In accordance with your instructions of the 3.11.1937 in the above matter, I have the honour to report that on the 28th of October last, I inspected the area applied for as a Recreation Reserve, and found that, The Education Department have sold the School and same has been removed, From enquiries I made I was informed that Portion 59 was resumed from Portion 43, and the Education Deaprtment at their own expense fenced off this Portion (59) with the exception of the ring fence, there are no other improvements except two Tenis Courts which were layed down and netted in by the Bymount School Teni Club, whose members are the School Committe.

I recommend for your favourable consideration, that thi Reserve, R 342 Parish of Eumamurrin, Roma District, comprising 5 acres be Gazetted as a Recreation Reserve, with the President and Secretary as Trustees.

The Commissioner for Public Lands,
Roma,

Dear Sir,

I am writing on behalf of the members of the Bymount Tennis Club, and referring to the Bymount school ground, which is an area of about five acres, and on which we have erected two tennis courts.
The school building has been sold and removed.
Some few years ago we applied to the educational Department and received permission to erect the tennis courts.
If the land is sold we will undoubtedly loose the netting and all other tennis court requirements.
There is a large number of young people around, who play tennis which is the only amusement in the district Apart from that there are about twenty small children growing up, and the place is an ideal one for the erection of another school.
I wonder if there would be any harm for me, as acting secretary of the Bymount Tennis Club

In accordance with your instructions dated 19-10-1937, in the above matter, I have the honour to report that on the 28.10. I inspected the area, and found that the Education Department had sold the State School building and same had been removed.

As the applicants wish is that the area be added to his Portion 43 Freehold adjoining, which is used for woolgrowing and as the carrying capacity would be 2 sheep over the whole area which consists of only 5 acres, I recommend that the application be rejected on the grounds that the Bymount Tenis Club have erecte two tenis courts at their own expense, together with High netting aroundcthe courts, and I am of the opinion that, that Club should have priority to the land.
