Damage mitigation permit (culling and dispersal of wildlife)

Important information for applicants

This form is to be used to apply for a damage mitigation permit for the purpose of culling and dispersal of wildlife (**note: a separate application form is required for lethal take of flying-foxes damaging crops**). Information requested will enable your application to be processed as prescribed by the *Nature Conservation Act 1992*. A damage mitigation permit may be granted for a maximum period of six months, unless you operate under an approved property management plan (PMP), when it may be granted for a maximum period of three years. If you wish to submit a PMP for approval and receive a damage mitigation permit for up to three years please contact Permit and Licence Management on 1300 130 372 for the appropriate PMP template form to accompany this application. Your application must be assessed and a permit granted by the chief executive before you can proceed with the proposed activity. Your application may take up to 40 business days to process.

Before completing your application please read the information materials included with your application kit. Before lodging this application you should be familiar with the requirements of the *Nature Conservation Act* available from the Office of the Queensland Parliamentary Counsel website <http://www.legislation.qld.gov.au>. If you have queries about how to complete this form correctly or need guidance contact the Permit and Licence Management on 1300 130 372.

Hi Rhianna –

Nick MacLean has been helpful in getting in touch with you regarding the DMP for the airport operations. I had thought one of my staff had completed an application earlier this year, but it seems not and he is overseas on leave. However, I have completed the application form and details as attached. Please get back to me if there is any more detail you require.

I will complete the Return of Operations once we have an authority number to enter into the form.

Many thanks for your help.

Best regards,

LANE DECHANEUX MANAGER BUNDABERG AIRPORT

Hi Lane,

Please find attached the Damage Mitigation Form application (Application – DMP.doc) which will need to be filled out and issued to EHP accordingly in order to legally cull the eastern grey kangaroo (*Macropus giganteus*) at the Bundaberg Regional Airport.

Rhianna Foord of EHP has asked if you could please fill out the attached application form with the necessary details and send it back to her within the next hour, she can get that approved and send it back to you by 2:30pm today.

Please phone me on the protection of animals if you have any queries or are unsure about anything on the form, otherwise Rhianna's contacts are in the email below.

Kind regards,

Hi Nick,

I've got to head out to Monto now so I can't wait any longer for the DMP application.
The earliest the DMP will now be processed is now tomorrow when Greg will be back in the office.
