re: Lot 3 on RP845385 - Kenilworth-Eumundi Road, Belli Park

Thank you for your letter of 8 July 1999 concerning the livestock dip on your property at Belli Park.

Under the provisions of the *Environmental Protection Act 1994,* all 'notifiable activities' such as livestock dips - be they current use or past use - are required to be listed on the Environmental Management Register. The wording in the notice you received is an extract from the Act and is standard for all past or current notifiable activities.

The additional information you have provided regarding the dip not having been used for 30 years has been noted in our records. The map you provided showing the location of the dip on the property is also held in our records.

Thank you for the information you provided, and should you have any queries please do not hesitate to contact the abovenamed officer at the Contaminated Land Unit.

Yours sincerely
