Dear Sir

SUBJECT: Baal Gammon Undertaking – Update 26 October 2015

In accordance with item #4 of the undertaking made to the Planning and Environment Court on 17 September 2015 for Baal Gammon mine site, the following progress update is provided by Baal Gammon Copper Pty Ltd (BGC), Snow Peak Mining Pty Ltd (SPM) and Consolidated Tin Mines Ltd (CSD) to the Department of Environment and Heritage Protection (EHP).

Waste Rock Dump (WRD) covering: The project is scheduled for completion this week, subject to suitable (low wind) weather conditions.

Water Reduction Program: The Reverse Osmosis (RO) plants were commissioned last week. Final release water quality was achieved on 23 October 2015, and controlled releases of treated water to the receiving environment commenced that day in accordance with the EA, with a reduction of approximately 2.6ML of stored site water achieved by the program to date.

Yours sincerely

Dear Sir

SUBJECT: Baal Gammon Undertaking – Update 9 November 2015

In accordance with item #4 of the undertaking made to the Planning and Environment Court on 17 September 2015 for Baal Gammon mine site, the following progress update is provided by Baal Gammon Copper Pty Ltd (BGC), Snow Peak Mining Pty Ltd (SPM) and Consolidated Tin Mines Ltd (CSD) to the Department of Environment and Heritage Protection (EHP).

Waste Rock Dump (WRD) covering: This project was completed the week of 26 October 2015. No further updates will therefore be provided for this item.

Water Reduction Program: The enhanced evaporation and water treatment and release programs continue on-site. Since the previous update, site water has been reduced by approximately 10ML.

Yours sincerely
