Indo-Pacific hump-backed dolphin	Sousa chinensis	Dead	50 Animal/s Parts/Products
	Tursiops aduncus	Dead	50 Animal/s Parts/Products
bottlenose dolphin	Tursiops truncatus	Dead	50 Animal/s Parts/Products

Conditions of Approval

Agency Interest: Biodiversity

PB1 The permit holder must contact the relevant QPWS District Office prior to commencing activities in Marine Parks.
Great Sandy Marine Park (07) 4197 4002
Moreton Bay Marine Park (07) 3821 9000

Environmental impact is to be kept to a minimum.

Collecting activities are to be effected away from public view.

No animals are to be killed specifically for use under this permit.

This permit (or a copy plus proof of identity of permittee) must be carried while engaged in any activity authorised by the permit.

The permittee must ensure that all vessels used in connection with the activities permitted herein are clearly marked Research Vessel while being used for those activities.

Upon completion of field work, a detailed list is to be supplied to Assessment and Approvals Unit, Queensland Parks and Wildlife Service, PO Box 731, Toowoomba QLD 4350 showing numbers of specimens locality or localities where they were collected.

A copy of any resulting report/publication is to be lodged with the Assessment and Approvals Unit, Queensland Parks and Wildlife Service, Toowoomba QLD 4350.

All activities must be undertaken in accordance with the provisions of the laws in force from time to time in the State of Queensland. A law shall be taken to be a law in force in the State of Queensland notwithstanding that it applies to only part of the State.

Unless otherwise specified, all practices and procedures undertaken pursuant to this permit are to be in accordance with those details contained in and attached to the Application for a Scientific Purposes Permit signed by the permittee on 14th May 2007.

Dear 6) Personal info

I am pleased to advise that your application for a Scientific Purposes Permit has been approved.

Please find enclosed permit number WISP12115912 which has been issued under the provisions of the *Nature Conservation Act 1992*. You are asked to carefully read the conditions attached to this permit. Included with this letter is advice on the review and appeal process that may be available to you. Should you seek a review or appeal, the Department of Environment and Heritage Protection (the department) advises that you seek independent advice before taking such action.

The Principal Holder listed on the permit is responsible for all activities that are undertaken under the jurisdiction of the permits listed above, including the activities of nominated authorised assistants. Your cooperation is requested in observing the following matters:

- Additional persons authorised to collect under this permit must while collecting
 - (a) carry a copy of the permit endorsed by the permit holder with the additional persons name and residential address; and
 - (b) carry a form of identification that displays a coloured photograph of the person, such as a Queensland driver licence.
- Names of additional persons authorised and endorsed by you should be provided in writing to the office issuing the permit.
- Any change of details including change of name, residential address, postal address or business address must be advised in writing before or immediately after the change has occurred.

173 Hume Street Toowoomba
PO Box 731 Toowoomba
Queensland 4350 Australia
Telephone + 61 7 4699 4366
Facsimile + 61 7 4699 4399
ABN 46 640 294 485

A return of operations (Wildlife Data Return and Report) must be submitted on the standard reporting forms within 10 business days of the anniversary date of the permit each year the permit is in force; and within 10 business days of the expiry date.

Please submit these forms, along with any reports or publications arising from the research to the Project Officer (Scientific Permits), Department of Environment and Heritage Protection, PO Box 731, Toowoomba QLD 4350. Alternatively, reports may be submitted electronically to SPPreport.southern@ehp.qld.gov.au. Penalties may apply if returns are not submitted.

Please do not hesitate to contact me if I can be of further assistance.

Yours sincerely

Conditions of Approval

Agency Interest: Biodiversity

PB1 This permit authorises the holder to collect freshly dead carcasses from either shark nets or Queensland beaches. The carcasses may be transported to Sea World or if the carcass is at a remote location it may be processed in situ.

A Marine Wildlife Stranding and Mortality Report must be submitted via email to strand.data@derm.qld.gov.au as soon as possible.

Reproductive material may be collected from the animals.

Carcass disposal should be conducted in a timely and efficient manner and in accordance with direction from Queensland Parks and Wildlife Service or the local council.

The Queensland Museum must be offered first refusal of any excess material.

Unless otherwise specified, all practices and procedures undertaken pursuant to this permit are to be in accordance with those details contained in and attached to the Application for a Scientific Purposes Permit signed by the Principal Holder on 10 September 2012.

PB2 The Principal Holder must contact the relevant Queensland Parks and Wildlife Service Office prior to commencing activities in Marine Parks. Current Marine Park permits must be held prior to collecting in Marine Parks.
Great Sandy Marine Park (07) 4197 4002
Moreton Bay Marine Park (07) 3131 2888

PB3 Environmental impact is to be kept to a minimum.

PB4 Collecting activities are to be effected away from public view.

Dear: Personal information

Re: Decision made in relation to your application under environmental legislation administered by the Environmental Protection Agency (EPA).

The EPA has assessed your application received on 26-MAY-2003 and wishes to advise you of the decision in regard to each application as specified below:

Permit applied for	Permit Number	Decision
Wildlife Exhibitor Licence under Nature Conservation Regulation 1994	WIEX01311203	Granted

For each permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Included with this notice is advice on review and appeal processes that may be available to you. Should you seek a review or appeal, the EPA advises that you seek independent advice before taking such action.

If you require more information, please contact Brett Kerr, the Project Manager, on the telephone number listed below.

Yours sincerely

Dear s.73

Re: Decision made in relation to your application under environmental legislation administered by the Environmental Protection Agency (EPA).

The EPA has assessed your application received on 01-JUN-2004 and wishes to advise you of the decision in regard to each application as specified below:

Permit applied for	Permit Number	Decision
Wildlife Exhibitor Licence under Nature Conservation Regulation 1994	WLEX02051204	Granted

For each permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Included with this notice is advice on review and appeal processes that may be available to you. Should you seek a review or appeal, the EPA advises that you seek independent advice before taking such action.

If you require more information, please contact Brett Kerr, the Project Manager, on the telephone number listed below.

Yours sincerely

Dear 3) Personal in

Re: Decision made in relation to your application under environmental legislation administered by the Environmental Protection Agency (EPA).

The EPA has assessed your application received on 25-JUN-2007 and wishes to advise you of the decision in regard to each application as specified below:

Permit applied for	Permit Number	Decision
Wildlife Exhibitor Licence under Nature Conservation (Administration) Regulation 2006	WIEX04572807	Granted

For each permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Included with this notice is advice on review and appeal processes that may be available to you. Should you seek a review or appeal, the EPA advises that you seek independent advice before taking such action.

If you require more information, please contact Rebeca Reading, the Project Manager, on the telephone number listed below.

Yours sincerely

Bernadette Carter

Dear 6) Personal information

Re: Decision made in relation to your application under environmental legislation administered by the Environmental Protection Agency (EPA).

The EPA has assessed your application received on 20-SEP-2002 and wishes to advise you of the decision in regard to each application as specified below:

Permit applied for	Permit Number	Decision
Wildlife Movement Permit under Nature Conservation Regulation 1994	WIWM00582402	Granted

For each permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Included with this notice is advice on review and appeal processes that may be available to you. Should you seek a review or appeal, the EPA advises that you seek independent advice before taking such action.

If you require more information, please contact Leita CAPP, the Project Manager, on the telephone number listed below.

Yours sincerely

Ahmad Rahman

Dear 6) Personal info

Re: Decision made in relation to your application under environmental legislation administered by the Environmental Protection Agency (EPA).

The EPA has assessed your application received on 08-SEP-2003 and wishes to advise you of the decision in regard to each application as specified below:

Permit applied for	Permit Number	Decision
Wildlife Movement Permit under Nature Conservation Regulation 1994	WIWM01449003	Granted

For each permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Included with this notice is advice on review and appeal processes that may be available to you. Should you seek a review or appeal, the EPA advises that you seek independent advice before taking such action.

If you require more information, please contact Sarah MANOEL, the Project Manager, on the telephone number listed below.

Yours sincerely
