Attention: M J Hilton

Re: Application (No. DA:764/1) for development approval for assessable development to be carried out at Cnr Mt Kilcoy Road and Kilcoy -Murgon Road (Lot 1 on CG1971).

Pursuant to the following items of Schedule 2 of the *Integrated Planning Regulation 1998,* the Environmental Protection Agency is a concurrence agency for the development application:

☐ Item 3 of Schedule 2 of the *Integrated Planning Regulation 1998* (for Environmentally Relevant Activities)
☑ Item 6 of Schedule 2 of the *Integrated Planning Regulation 1998* (for contaminated land)

The Environmental Protection Agency (EPA), acting as a concurrence agency under the *Integrated Planning Act 1997*, provides its response to the application detailed above as attached.

It would be appreciated if Council could provide a signed hard copy of the final development approval issued by Council (which includes the Agency's concurrence conditions).

The EPA has not provided a notification to native title parties for this application. The State's Native Title Work Procedures indicate that responsibility for assessment of native title issues for an IDAS application rest with the Assessment Manager. It is recommended that you undertake an assessment using your own guidelines to determine if a native title notification is required for this application.

Should you require any further information please do not hesitate to contact the above officer on the telephone number or e-mail address provided .

Description: Material Change of Use & Reconfiguration of a Lot
Kilcoy Murgon Raod & Mt Kilcoy Road, Kilcoy (Lot 1 on CG1971)

This development application and supporting information have been reviewed. The Environmental Protection Agency (EPA), acting as a concurrence agency for contaminated land, requires the following further information for the application to be assessed fully.

a) A completed and signed Notification of Land form for Lot 1 on CG1971 to notify the EPA Contaminated Land Unit of any Notifiable Activities (as defined in Schedule 3 of the *Environmental Protection Act 1994*) such as 'Livestock Dip or Spray Race', that have occurred on this land. A Notification of Land form is attached.

b) A survey plan indicating the location of the livestock dip in relation to current and proposed lot boundaries.

c) Sufficient information provided in accordance with the *Environmental Protection Act 1994* and the *Draft Guidelines for the Assessment and Management of Contaminated Land in Queensland* (DEH, 1998) to enable a Suitability Statement to be issued for Lot 1 on CG1971, specifying that the land is suitable for the intended use.

   The *Draft Guidelines for the Assessment and Management of Contaminated Land in Queensland* may be obtained from the Environmental Protection Agency's internet site at www.env.qld.gov.au, or by contacting the Contaminated Land Unit. Please ensure that the appropriate statutory fee is included with this application for the assessment of the site investigation and / or validation reports.

Under the *Integrated Planning Act 1997* s3.3.8(1), an applicant receiving an information request from the assessment manager or a concurrence agency (the "**requesting authority**") must respond by giving the requesting authority-

(a) all of the information requested; or
(b) part of the information requested together with a notice asking the requesting authority to proceed with the assessment of the application; or
(c) **a notice-**
   (i) stating that the applicant does not intend to supply any of the information requested; and
   (ii) asking the requesting authority to proceed with the assessment of the application.

Under s3.2.12(2)(b), the application lapses if the applicant does not respond to the information request within 12 months.

As required by s3.3.6(5), the Agency is forwarding a copy of the information request to the assessment manager.
