No. 4199M

MINING ACT 1968-1983

(Section 17)

AUTHORITY TO PROSPECT

WHEREAS application has been made by the undermentioned under the provisions of the Mining Act 1968-1983 (hereinafter referred to as "the Act") for an AUTHORITY TO PROSPECT the land described in Clause 1 hereof.

NOW, THEREFORE, I THE HONOURABLE IVAN JAMES GIBBS,

THE MINISTER FOR MINES AND ENERGY

for the State of Queensland (hereinafter with my successors in office referred to as "the Minister") pursuant to the power and authority in me vested under the Act

HEREBY GRANT TO

KINGSTON MINERALS N.L.

(hereinafter referred to as "the Holder") an AUTHORITY TO PROSPECT for all minerals (excluding coal)

(hereinafter referred to as "the Minerals") in the specified land (hereinafter referred to as "the specified area") and subject to the provisions of the Act and to the following stipulations and conditions:

1. DESCRIPTION AND AREA

One Hundred (100) sub-blocks

more particularly described in the Schedule hereto within which the Holder may exercise his entitlement under this Authority to Prospect for the term hereinafter specified:

Provided that the specified area shall not include any of Crown land and private land within the boundaries as at the date hereof which is excluded from the specified area.

(1) Any of that Crown land or any of that private land which is held by any person prior to 14.35 on the 24TH day of OCTOBER 1985, as a mining tenement under the Act (whether directly or by operation of Section 5 thereof); and

(2) Any of that Crown land or any of that private land over which another Authority to Prospect for all minerals (excluding coal) has been applied for, granted or issued to any person under the provisions of the Act prior to 14.35 on the 24TH day of OCTOBER 1985; and

(3) Any of that private land in respect of which a permit to enter has been applied for by, granted or issued to any person under the provisions of the Act prior to 14.35 on the 24TH day of OCTOBER 1985.

2. TERM:

(1) This Authority to Prospect is granted for a term of TWO (2) YEARS (hereinafter referred to as "the said term") commencing on 3RD FEBRUARY 1986.

(Section 17)

AUTHORITY TO PROSPECT

WHEREAS application has been made by the undermentioned under the provisions of the Mining Act 1968-1983 (hereinafter referred to as "the Act") for an AUTHORITY TO PROSPECT the land described in Clause 1 hereof.

NOW, THEREFORE, I THE HONOURABLE IVAN JAMES GIBBS,

THE MINISTER FOR MINES AND ENERGY

for the State of Queensland (hereinafter with my successors in office referred to as "the Minister") pursuant to the power and authority in me vested under the Act

HEREBY GRANT TO

SARACEN MINERALS N.L.

(hereinafter referred to as "the Holder") an AUTHORITY TO PROSPECT for **all minerals (excluding coal).**
(hereinafter referred to as "the Minerals") in the said land (hereinafter referred to as "the specified area") under and subject to the provisions of the Act and to the following stipulations and conditions:-

1. DESCRIPTION AND AREA:

One hundred (100) Sub-Blocks

more particularly described in the Schedule hereto, within which the Holder may exercise his entitlements under this Authority to Prospect for the term hereinafter specified:

Provided that the following classes of Crown land and private land within the boundaries as described shall be excluded from the specified area.

(1) Any of that Crown land or any of that private land which is held by any person prior to 14.35 on the 24TH day of OCTOBER 1985, as a mining tenement under the Act (whether directly or by operation of Section 5 thereof); and

(2) Any of that Crown land or any of that private land over which another Authority to Prospect for **all minerals (excluding coal)** has been applied for by, granted or issued to any person under the provisions of the Act prior to 14.35 on the 24TH day of OCTOBER 1985; and

(3) Any of that private land in respect of which a permit to enter has been applied for by, granted or issued to any person under the provisions of the Act prior to 14.35 on the 24TH day of OCTOBER 1985.

2. TERM:

(1) This Authority to Prospect is granted for a term of TWO (2) YEARS (hereinafter referred to as "the said term") commencing on 3RD FEBRUARY, 1986.

Published on Resources Disclosure Log RTI Act 2009

Releas

(2) In this Authority to Prospect a reference to a "year" of the term is a reference to a period of one (1) year commencing on and from the date specified in Sub-Clause (1) of this Clause or any anniversary of that date.

3. **RENTAL:**

The Holder shall pay to the Minister on or prior to the commencement date of each year of the said term, the sum, **in Australian currency,** specified hereunder and set opposite each such year as rental for the specified area.

(Receipt of the rental for the first year tabulated below is hereby acknowledged by the Minister).

	RENTAL ($)
YEAR 1	5800.00
YEAR 2	58.00 PER SUB-BLOCK

4. **DEPOSIT AND GUARANTEE:**

(1) The Holder shall before the date of the commencement of the said term deposit with the Minister a sum of **Two thousand dollars ($ 2000) in Australian currency** (the receipt of which sum is hereby acknowledged) to be held by the Minister as a guarantee that the provisions of the Act and the stipulations and conditions of this Authority to Prospect and by the Holder to be observed or performed will be complied with by the Holder.

(2) Subject to the compliance by the Holder with the provisons of the Act and with the stipulations and conditions of this Authority to Prospect and by the Holder to be observed or performed, the sum of money deposited as a guarantee shall be refunded to the Holder upon the expiration or prior termination of the said term (other than by cancellation as in the Act provided).

(3) If in the opinion of the Minister the Holder fails to comply with the provisions of the Act or with any stipulation or condition specified in this Authority to Prospect and by the Holder to be observed or performed the Minister may cause the sum of money deposited as a guarantee or such part thereof as the Minister may determine, to be forfeited to the Crown.

(4) When required by the Minister, the Holder shall, in respect of the expenditure requirements referred to in Clause 8 hereof, and in addition to the requirements of Sub-Clauses (1) and (2) of this Clause, lodge with the Minister a security or provide a surety acceptable to the Minister as a guarantee that the sums of money required to be expended during the said term shall be expended in accordance with the stipulations and conditions hereof.

(5) If at the expiration of the said term the Minister is of the opinion that the Holder has not fulfilled any stipulation or condition specified in this Authority to Prospect in respect of the expenditure requirements aforementioned within the specified area during the said term, the Minister may forfeit the security or such portion of the security as shall be required by the Minister to satisfy the obligations of the Holder thereunder, or may require the surety to pay to the Minister a sum not exceeding the sum of money required to be expended in accordance with the expenditure requirements aforementioned.

Releas

(6) Any moneys so forfeited shall be paid to Consolidated Revenue.

5. **ENTITLEMENT OF HOLDER:**

(1) The Holder in addition to the entitlements conferred upon him by Section 18 of the Act shall also be entitled upon any Crown land within the specified area during the said term to carry out such investigations in the nature of geological examinations, geochemical examinations, aerial surveys, contour surveys and drillling as may from time to time in the opinion of the Holder be appropriate for the purpose of determining the existence or otherwise of the Minerals and their extent and nature in the specified area, provided that the Holder in the exercise of any of his entitlements under this Authority to Prospect shall not enter upon any Crown land which is a Timber Reserve within the meaning of the Forestry Act 1959-1982 without the prior written consent of the Conservator of Forests and thence in accordance with the conditions fixed by the Conservator of Forests.

(2) The Holder, before entering upon any private land within the specified area for the purpose of carrying out such investigations, examinations, surveys and drilling, shall obtain a Permit to Enter in accordance with the provisions of the Act.

(3) The Holder in the exercise of any of the entitlements conferred upon him by Section 18 of the Act or for the purpose of carrying out any investigations set out in Sub-Clause (1) of this Clause shall not disturb the surface of any reserve land unless the consent of the Governor in Council in accordance with the provisions of Section 44 (3) of the Act is first had and obtained.

(4) This Authority to Prospect shall not confer any right of ownership to the Minerals upon the Holder.

6. **MARKING OF BOUNDARY:**

(1) If during the said term any doubt or dispute should arise as to the position of all or any part of the boundary of the specified area (hereinafter called "the boundary") or if it appears to the Minister to be desirable in the public interest then the Minister may require the Holder to survey and mark the boundary and thereupon the Holder shall do so at his own expense.

(2) Should he so desire the Holder may at any time during the said term survey and mark the boundary.

(3) When the boundary has been surveyed and marked and the boundary as so marked has been accepted as correct by all holders of Authorities to Prospect whose interest are affected by such marking of the boundary and by the Minister then the boundary as so marked shall be deemed to be the boundary of the specified area.

(4) Failing acceptance as aforesaid then the Minister may determine the location of the boundary in relation to the marks and thereupon the boundary as so determined shall be deemed to be the boundary of the specified area.

7. **SURVEY OF BOUNDARY:**

(1) The survey of the boundary shall be carried out by a surveyor authorised by and in accordance with the provisions of the Surveyors Act

Published on Resources Disclosure Log
RTI Act 2009

Release

1977 - 1983.

(2) The survey and the marking of the boundary shall be carried out in accordance with the provisions of the Surveyors Act 1977-1983 and the Mining Act 1968-1983. Where the Minister considers that appropriate or clear directions are not given under such cited Acts then the survey and marking shall be carried out in accordance with the directions of the Minister.

(3) The surveyor upon completion of the survey shall certify as correct a plan, field notes and computations of the survey and such plan, field notes and computations shall be lodged with the Minister by the Holder.

8. **WORK AND EXPENDITURE:**

(1) During the said term the Holder shall continuously prospect the specified area in accordance with the provisions of Clause 5 hereof. The Holder shall during each year of the said term bona fide expend or cause to be expended in prospecting operations under this Authority to Prospect and other investigations approved by the Minister not less than the sum of money specified hereunder and set opposite each such year and all such sums of money so specified shall be measured **in Australian currency:-**

	$
YEAR 1	50000
YEAR 2	80000

(2) Upon the surrender of this Authority to Prospect in accordance with Clause 11 thereof the minimum expenditure for that year of the said term in which such surrender is made shall be reduced in the ratio that the portion of that year remaining after date of such surrender bears to the year in which the surrender is made.

9. **REPORTS:**

(1) The Holder shall furnish to the Minister within three (3) months after the date of expiration of every half-year of the said term a written report accompanied by relevant maps, sections, charts and other data giving full particulars and results of the prospecting operations and investigations carried out on the specified area and detailed information of the expenditure incurred therein in each of the phases of such investigations during every such half-year, in accordance with the provisions of Clause 8 hereof.

(2) The Holder shall furnish to the Minister within six (6) months after the date of expiration of the said term or prior termination of this Authority to Prospect a written report accompanied by relevant maps, sections charts and other data giving full particulars of the information obtained from prospecting operations and investigations carried out on the specified area during the said period.

(3) In respect of every area of land excluded from the specified area in accordance with the provisions of Clause 12 hereof the Holder shall furnish to the Minister, within six (6) months after the date of each such exclusion, a written report or reports accompanied by relevant maps, sections, charts and other data giving full particulars of the information obtained from all sources relating to the prospecting operations and investigations carried out on that excluded area of land and the expenditure incurred thereon. Every such report may be used as the Minister sees fit.

Published on Resources Disclosure under RTI Act 2009

Release

(4) The Minister may from time to time during the said period and at any time prior to the refund to the Holder of the sum deposited with the Minister in accordance with the provisions of Clause 4 hereof by Notice in writing to the Holder require the holder to furnish to him within such period as he may require such further information relating to the prospecting operations carried out and the expenditure incurred therein as may be set forth in such Notice.

(5) Unless otherwise approved by the Minister, all reports required under this Clause:

(a) shall be in the English language; and

(b) shall give the information required in a clear and concise manner; and

(c) shall be presented in a form suitable for permanent record.

10. **CANCELLATION:**

(1) Upon cancellation of this Authority to Prospect pursuant to the Act the deposit then held by the Minister under Sub-Clause (1) of Clause 4 hereof shall be forfeited to the Crown.

(2) Any moneys so forfeited shall be paid to Consolidated Revenue.

11. **SURRENDER:**

(1) The Holder may at any time by notice in writing to the Minister of his intention so to do surrender forthwith this Authority to Prospect and thereupon all of the Holder's obligations thereunder shall cease and be at an end except that the obligations of the Holder under Clauses 3, 8 and 9 hereof and the rights of the Minister under Clause 4(3) and Clause 4(5) hereof shall not be affected in whole or in part thereby.

(2) Where the Holder gives a Notice as in described in Sub-Clause (1) of this Clause then the Minister shall refund to the Holder the deposit paid by him provided that the Holder has complied with the requirements of Clauses 3, 8 and 9 hereof. Where the Holder has not complied with such requirements or any of them the provisions of Sub-Clause (3) of Clause 4 hereof shall apply.

12. **SPECIFIED AREA TO BE REDUCED DURING TERM:**

(1) Notwithstanding anything herein contained the specified area shall in accordance with the provisions of Sub-Clause (2) of this Clause be reduced to not more than the number of Sub-Blocks specified hereunder and set opposite each year of the said term as hereinafter appears:-

	NUMBER OF SUB-BLOCKS
YEAR 2	**50**

(2) The Holder shall prior the the commencement date of each year of the said term set out in Sub-Clause (1) of this Clause by notice in writing to the Minister specify the land to be excluded by that date in accordance with this Clause. In default of the Holder so specifying then the Minister may specify the land to be so excluded.

Published on Resources Disclosure Log RTI Act 2009

13. **DEALINGS AND TRANSFER:**

(1) **Dealings:** When any interest in the benefit of this Authority to Prospect is mortgaged, charged, created or dealt with in any other manner, the document or other writing giving effect to the dealing shall be lodged with the Minister.

(2) **Transfer:** This Authority to Prospect shall not, except with the written approval of the Minister first had and obtained, be capable of being transferred.

14. **EXISTING RIGHTS:**

Subject to the provisions of the Act this Authority to Prospect shall be subject and without prejudice to all rights, powers, privileges and property of all and every person under or in respect of:-

(a) any Crown grant (including any franchise incorporated in an agreement authorised or ratified by Act of Parliament); or

(b) any Certificate of Title; or

(c) any mining tenement, mining title or permit to enter; or

(d) any Authority to Prospect granted to any person in accordance with the provisions of the Act or the Petroleum Act 1923-1983;

now or at any time during the said term existing in respect of any part of the specified area.

15. **APPOINTMENT OF RESPONSIBLE PERSON:**

Where the holder proposed to use mechanical equipment for the purpose of obtaining a sample by drilling or any other means, he shall appoint a Competent Person who shall be responsible for ensuring compliance with safe working practices.

The Competent Person, who shall accept the appointment, shall, where possible, exercise daily supervision of the equipment and men employed.

16. **NOTICE OF ACCIDENT:**

When an accident causing death or serious bodily injury has occurred in connection with the activities carried out under this Authority to Prospect, the Competent Person appointed under Clause 15, or the holder (if no such Competent Person has been appointed) shall forthwith notify the Minister.

17. **USE OF EXPLOSIVES:**

Where explosives are used in connection with the activities carried out under this Authority to Prospect, the Holder shall comply with the requirements of the Explosives Act 1952 - 1981 unless such activities are authorised to be carried out under the Mines Regulation Act 1964-1983 or the Coal Mining Act 1925-1981.

Published on Resources Disclosure Log RTI Act 2009

Releas

18. **USE OF RADIOACTIVE SOURCES:**

Where equipment of an instrument incorporating a radioactive source is used, the Holder shall ensure that:-

(a) the owner/operator of the equipment or instrument holds the appropriate license;

(b) if the equipment or instrument is damaged or lost, the Chief Inspector of Mines be notified within twenty-four hours. The report shall include details of the action which has been or is being taken to recover the lost equipment or instrument;

(c) if steps taken to retrieve equipment or an instrument lost in a drill hole are unsuccessful, the site is clearly identified and accurately surveyed.

19. **REHABILITATION AND RESTITUTION:**

(1) The Holder shall to the satisfaction of the Minister progressively rehabilitate the surface of the specified area, as nearly as may be to its state and condition prior to the commencement of prospecting operations under this Authority to Prospect and shall make restitution in regard to any damage, injury, loss or expense that is caused to any person as a result of prospecting operations.

(2) Such rehabilitation shall be conducted and restitution made in accordance with any directions given by the Minister and carried out within the time limited by the Minister.

(3) When required by the Minister the Holder shall during the said term, lodge with the Minister security for the due and proper carrying out of such rehabilitation and restitution requirements in such amount as the Minister shall determine. Such security may be in the form of a cash deposit, banker's cheque or bank draft payable to the Minister, guarantee, indemnity or bond by a bank, bonding or insurance company approved by the Minister.

(4) If, at any time during the said term, the Minister is of the opinion that the Holder has not carried out such rehabilitation or restitution requirements, the Minister may realize on such security as is not money and apply the proceeds of such realisation and all other moneys comprising such security to making good the default of the Holder in respect of such rehabilitation and restitution requirements. The Minster may require the Holder at any time to lodge a fresh security to replace any amount used as aforesaid. The security shall be held by the Minister for a period of one year after the termination of the Authority to Prospect for any reason and may be used by the Minister to correct any faults in the rehabilitation or in restitution for any damage, injury, loss or expense caused to any person that may become apparent during this period as a result of prospecting operations. At the end of the period any balance shall be refunded to the persons entitled to receive same.

20. **ENTRY ON LAND:**

The Holder shall not in the exercise of any of his entitlements under this Authority to Prospect enter on any land whatsoever unless and until prior notice of entry upon that land is given in a form approved by the Minister to the owner, holder, trustee or occupier of that land either personally or by certified mail forwarded to the owner's holder's, trustee's or

Published on Resources Disclosure Log RTI Act 2009

occupier's address recorded in the Valuation Roll or Valuation Register for the area of the Local Authority in which the land is situated, or in such other form and in such manner as the Minister shall approve either generally or in a particular case.

21. **AUTHORITY TO BE PRODUCED:**

Every agent, servant, or employee of the Holder entering upon any land in the exercise of any of the entitlements of the Holder under this Authority to Prospect shall carry upon his person a written authorisation issued by the Holder in a form approved by the Minister and every agent, servant or employee of the Holder shall produce such authorisation when required to the owner, holder, trustee or occupier of the land.

22. **ROADS, RAILWAYS, TELEPHONE LINES, POWER TRANSMISSION LINES, PIPELINES, RADIO MASTS, TELEVISION MASTS AND CABLES:**

The Holder in the exercise of any of his entitlements under this Authority to Prospect shall not interfere with any road, railway, telephone line, power transmission line, pipeline, radio mast, television mast or cable in any manner whatsoever.

23. **NAVIGATION WORKS, HARBOUR WORKS OR OTHER WORKS AND FISHING GROUNDS:**

The Holder in the exercise of any of his entitlements under this Authority to Prospect shall not interfere with any navigation works, harbour works or other works, or damage fishing grounds in any manner whatsoever.

24. **ABORIGINAL RESERVES:**

The Holder in the exercise of any of his entitlement under this Authority to Prospect shall not enter on any Reserve set apart under the Community Services (Aborigines) Act 1984 or the Community Services (Torres Strait) Act 1984 except in accordance with the provisions of those Acts.

25. **ABORIGINAL SITES AND RELICS:**

The Holder in the exercise of any of his entitlements under this Authority to Prospect shall comply with the provisions of the Aboriginal Relics Preservation Act 1967-1976.

Dear Sir,

Re: Exploration Permit for Minerals (EPM) No. 4199

I refer to the above Exploration Permit and now advise that no claim has been received at this Office in regard to the Security Deposit held by this Department.

Accordingly, it has been approved that the Security Deposit of $2000.00 plus accrued interest be refunded and the Department's Cheque, made payable to Saracen Minerals NL for the amount involved is enclosed.

Yours faithfully,

sch4p4(6) Perso

for Director-General
