Re: Ravenswood Mining Landscape, off Deighton Street, Ravenswood

Thank you for your application proposing entry of the **Ravenswood Mining Landscape, off Deighton Street, Ravenswood** in the Queensland Heritage Register. It was received by the Department of Environment and Heritage Protection (the Department) on **25 June 2015**.

It is now the responsibility of the Department to assess the application in relation to the cultural heritage criteria contained in s.35 of the Act and make a recommendation to the Queensland Heritage Council about whether the place is of state-level cultural heritage significance and therefore suitable for entry in the Heritage Register. A copy of your application will be available on the Queensland Government website.

Submissions must be received by the Chief Executive before the close of business on 17 August 2015. Unless consent to release of personal information is given by submitters, personal details are redacted from these copies, except those given to the Queensland Heritage Council.
