Dear Sir/Madam

Re: Notice of consideration of listing on the Environmental Management Register

The attached Notice advises you that your property is being considered for inclusion on the Environmental Protection Agency's 'Environmental Management Register'.

Whilst the Environmental Protection Agency administers the Environmental Management Register itself, the Radiation Health Unit of the Department of Queensland Health is the administering authority for all sites in Queensland potentially affected by a radioactive contaminant. Therefore, further queries or submissions concerning radioactive contaminants on the property should be directed to Radiation Health on phone (07) 3406 8000, fax (07) 3406 8030, or by mail to:

Radiation Health
Queensland Health
450 Gregory Terrace
FORTITUDE VALLEY QLD 4006

Should you have any queries concerning the role of the Environmental Management Register, or the general management of potentially contaminated land in Queensland, please contact me on (07) 3225 1974.

Yours sincerely
