Dear Tess,

Council is informing your department that a review of the above site has found notifiable activity - **Petroleum Product or Oil Storage**. Council notified the EPA regarding this site on 21/6/94.

Three underground tanks have been present on this lot, and all were taken off the F&C licence as of 1995. These three tanks constituted the only notifiable activity this review could find. The summary of these tanks is as follows.

- One 13,638L underground tank for Motor Spirits.
Installed: 1970
Sand abandoned: 1991
- One 4,546L underground tank for Distillate
Installed: 1979
Sand abandoned: 1986
- One 21,400L underground tank for Distillate
Installed: 1983
Sand abandoned: 1995

The attached map shows the location of the 13,638L tank and the 4,546L tank. This review could not properly identify the location of the 21,400L tank.

If you require any further information, feel free to contact me at the above number.

Regards
