Notice of decision – permit¹ application

This notice is issued by the Department of Environment and Resource Management to advise of a statutory decision on a permit application under environmental and/or conservation legislation.

The Chief Executive Officer
Murweh Shire Council
PO Box 63
CHARLEVILLE QLD 4470

Our reference: 294004

Attention: Christopher David Blanch

Dear Mr Blanch

Re: Decision made in relation to your application under environmental legislation administered by the Department of Environment and Resource Management (DERM)

The DERM has assessed your application received on 08-OCT-2010 and wishes to advise you of the decision in regard to each application as specified below:

Permit Applied For	Permit Number	Decision
Damage Mitigation Permit under Nature Conservation (Administration) Regulation 2006	WIMP08209710	Granted

For each permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Included with this Notice is advice on review processes available to you. Should you wish to seek a review, DERM advises that you seek independent advice before taking such action.

If you require more information, please contact Rodney Manthey, the Project Manager, on the telephone number listed below.

Yours sincerely

Joe Adair
Department of Environment and Resource Management

¹ Permit includes licences, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service.

Permit Details

Species Details

Location		Activity	
Charleville Airport, Qantas Drive, CHARLEVILLE QLD 4470		Removal and relocation of wildlife	
Common Name	Scientific Name	Category	Quantity
emu	Dromaius novaehollandiae	Live	5 Animal/s
eastern grey kangaroo	Macropus giganteus	Live	10 Animal/s
common wallaroo	Macropus robustus	Live	10 Animal/s
red kangaroo	Macropus rufus	Live	10 Animal/s
black kite	Milvus migrans	Live	50 Animal/s

Conditions of Approval

General Permit Conditions

Agency Interest: Biodiversity

PB1 Accurate records of animals shot under this permit must be recorded in the return form provided. These must be made at the end of each day/night that the animals are taken.

PB2 Birds

1. Take of birds is by shooting only.
2. Shooters are to ensure the combination of firearm, projectile, distance to target and point of aim result in the instantaneous death of the target animal.
3. If death is not instantaneous, shooters must make every effort to locate wounded animals and quickly and humanely cause immediate death.
4. Non-lethal deterrent methods must be used in conjunction with this Permit (e.g. Bird Frite, shooting to scare).
5. The Permittee must comply with all relevant legal requirements (e.g. notifying neighbours and relevant authorities) before discharging a firearm under this Permit.

PB3 Macropods

1. Macropods must be taken by centrefire rifle in a way specified in the National Code of Practice for the Humane Shooting of Kangaroos and Wallabies for Non-commercial Purposes, approved by the Natural Resource Management Ministerial Council.

PB4 Important Note(s):

1. Quantities for each species given on permit must be abided by. If these quantities are exceeded during the permit period a penalty may be given.

2. Statement of Reasons:

The numbers requested in the application is in excess of what is reasonably achievable for the remainder of 2010. Discussions with the permit holder occurred to decide on the new quantities.

Conditions for: Culling to protect human health and well-being

Agency Interest: General

A1G1

Important notes:

A Return of operations form must be sent to DERM within 10 business days after each 3 month period and upon expiry, and you must keep a copy for your records. If the Return of operations on the approved form is not submitted a penalty may be given. The approved form should be downloaded via the following DERM website link:

Dear Mr Blanch

Re: Decision made in relation to your application

Your application received on 23-AUG-2011 has been assessed and the decision in regard to your application is specified below:

Permit Applied For	Permit Number	Decision
Damage Mitigation Permit under Nature Conservation (Administration) Regulation 2006	WIMP09834611	Granted

For the permit applied for that has been granted, the conditions of approval are attached. Where applicable, a Statement of Reasons is provided in relation to the decision. Please note that for each approval, this Notice of Decision and the relevant attachments constitute the permit documentation. Please retain this approval documentation for your records.

Statement of Reasons

I have also approved the Wildlife Property Management Plan (WPMP) submitted with your Damage Mitigation Permit (DMP) application. Please note that the attached DMP and WPMP are both valid for a three year period and will expire at the same time. If another DMP is then required, a new WPMP should be submitted with a new DMP application form prior to current permit expiry. (NB: This is also subject to future legislative requirements.)

Included with this notice is advice on review processes that may be available to you. Should you seek a review, you are advised to seek independent advice before taking such action.

If you require more information please contact Liz Stenhouse on the telephone number listed below.

Yours sincerely

The approved form should be downloaded via the following EHP website link: www.ehp.qld.gov.au/licences-permits/plants-animals/return_of_operations
- PB3 ADDITIONAL INFORMATION "Best practices"
The permit holder should take a shot only if the animal is clearly visible, the animal can be positively identified by the shooter, and the target animal is within the shooters personal shooting range capability. Shooting should be avoided at times when birds are nesting and there are dependent young present. Only one bird should be targeted at any one time. Shooting at a flock is not an acceptable practice.
- PB4 Macropods
1. Macropods must be taken by centrefire rifle in a way specified in the National Code of Practice for the Humane Shooting of Kangaroos and Wallabies for Non-commercial Purposes, approved by the Natural Resource Management Ministerial Council.
- PB5 This permit authorises the holder of this permit to solely take the species listed on this permit by the humane method of shooting only.

Injured birds must be killed as quickly and humanely as possible by a second shot, or a blow with a heavy instrument to the rear of the skull (the bird must be either restrained or immobile). Death must be confirmed before animals are disposed of or left unattended.
- PB6 The following persons while under the direction of the Principal Holder are authorised to operate under this permit:
- Christopher Blanch
